

LINE ONE

Time: the Future. Place: [LOC]. Crime: Everywhere. Hope: Dim.

For thousands of years, a family of [JOB]s has protected [LOC] from danger, currently lead by [PROT].

[LOC] has long been a beautiful oasis from the pains of the outside world.

Meet [PROT]: a hardworking [JOB] with a heart of gold, friend to all in [LOC].

In a world where crime is rampant and promises are cheap, [PROT] has vowed to protect the citizens of [LOC].

Ever since [ANT] managed to take over, [LOC] has been plagued with violence and discontent.

[PROT] was just trying to live a simple life, working as a [JOB] and hanging out with [RLT].

Life in [LOC] used to be nice... until [ANT] corrupted local government, infecting the city with crime and filth.

Today was supposed to be the day that [PROT] and [RLT] finally left [LOC] to start new lives elsewhere.

Ever since evil forces arrived to knock heads, the peace in [LOC] has been extremely tenuous.

[LOC] operates under the protection of the Super [JOB] Crew, run by their fearless leader [PROT].

[LOC] is a beautiful lovely town, terrorized by the devious schemes of [ANT].

Welcome to [LOC], where the crime rate keeps growing and morale keeps slowing.

[PROT] thought it was just a normal day, hanging out with friends in [LOC].

Good morning! It's another beautiful day in [LOC]!

In the heart of [LOC], there is a [JOB] named [PROT], who is bound by birth to protect the streets.

Citizens of [LOC] usually go about their lives peacefully, secure that [PROT] is keeping an eye on things.

For all of [PROT]'s life, their only goal was to keep everyone in [LOC] safe.

Twenty years ago, the citizens of [LOC] forced [ANT] to leave, bringing peace and joy to all who lived there.

It's been five years since [PROT] bested [ANT] from power, gaining control as head [JOB].

[PROT] woke up this morning with just one wish: to have a relaxing day off.

[PROT] thought this day couldn't possibly get any worse.

[PROT] moved to [LOC], hoping to relax from the stress of being a [JOB].

[LOC] has always been a respectable family town, thanks to the watchful eye of [PROT].

[LOC] used to be a wretched hive of scum and villainy, until [PROT] and [RLT] arrived to fight off evildoers.

LINE TWO

Now [ANT]'s trying to totally kill the vibe, flooding the streets with unprecedented levels of crime!
Suddenly... catastrophe! [RLT] has been kidnapped by [ANT]!
The perfect circumstances for [ANT] to unveil their fiendish plan... to [EVT]!
Now [ANT] has a plan to [EVT]!
Oh woe, that [ANT] decided to [EVT], throwing [LOC] into complete chaos!
Now the criminals are getting bold, with all kinds of gnarly riff raff openly fighting in the streets!
But [LOC] better look out, because now [ANT]'s looking to [EVT], and only [PROT] can stop them!
Now word on the street is that some mysterious force is trying to [EVT].
Too bad [ANT]'s planning to destroy everything completely, with a fiendish plan to [EVT].
But wait... what's this? Reports are coming in that [ANT] plans to [EVT] tonight!
Of course, that means [ANT] thinks this would be the perfect time to [EVT].
Now [ANT] prepares to mix things up with a crazy plan: they're going to [EVT]! Whaaaaaat???
Disaster! [ANT] has now decided they need to [EVT], and is fighting anyone who stands in their way!
Rumors are going around that it's time... [ANT]'s ultimate plan to [EVT] is already in motion...
Now to ruin everything, [ANT] has decided to [EVT]!
Now [RLT] has gone missing, and it's rumored that [ANT] is behind it!
Lately citizens have become more frightened than usual, locking their doors and pulling their shades at night.
Now [RLT] is gone, and who better to blame than [ANT]?
But don't let that distract you from the real problem: [ANT] is attempting to [EVT]!
Better watch out though: things are going to get super complicated if [ANT] manages to [EVT]!
Now [ANT]'s trying to frame [PROT], so it looks like they're scheming to [EVT]!
But what's this? Look, over there... [ANT] is trying to [EVT]!
Whispers have been heard that someone is trying to [EVT], and that someone is [ANT].
Now word is out that last night someone managed to [EVT], and they've framed [PROT] as the culprit.
Then, the unbelievable: [ANT] has successfully framed [RLT] for some super serious crimes!

LINE THREE

If [PROT] doesn't do something, soon all of [LOC] is going to be affected!
It's up to [PROT] to take [ANT] down and put an end to this...
[PROT] needs to act quickly, or [RLT] will be in grave danger!
Come on, [PROT]! Time to show [LOC] who you really are!
The time has come for [PROT] to achieve their true destiny.
It's gonna take everything [PROT] has to shut these shenanigans down!
If [PROT] can't put a stop to this, the future looks pretty grim...
Someone should do something about this!
The time for the showdown between [ANT] and [PROT] is at hand...
Don't blink, or crime will get ya! Stay sharp, [PROT]!
There's only one way to solve a problem like this: fighting!
Good thing [PROT]'s willing to fight anything and everything so that [LOC] can rest peacefully...
[PROT] doesn't know how to save the day, but will keep fighting until they do!
Oh no! What's going to happen??!?
I hope [PROT]'s ready to fight through this mess...
Armed with honest purpose and the skills of a [JOB], it's up to [PROT] to make things right!
Don't just stand there and let this happen, [PROT]! Fight back!
There's only one solution! You gotta fight, [PROT]!
What perfect timing. [PROT]'s been itching for an excuse to take [ANT] down.
[PROT] would do anything for [RLT], even if it means going head to head with [ANT]...
That's messed up! I sure hope [PROT] can stop all this!
All of this has given [PROT] the chance to fight back, fueled by the strength of ultimate rage.
[PROT]'s on a mission to make sure this kind of behavior doesn't go unpunished.
Buckle up [PROT]: time to end some crime.
Finally, some time for [PROT]'s favorite hobby: taking down criminals.
